“Around the Rabbi’s Tisch” at the Vorspans

This popular Shir Ami educational series continues its 5772 season. Come join us for our weekly discussion of Rabbi Vorspan’s selected topics of Jewish interest. We discuss Jewish texts and current events as they relate to Jewish values and our lives as Jews. This is a unique opportunity to learn and get acquainted with our regular Tisch fans in an informal non-judgmental environment. The Vorspans open their home to all our members for this discussion series.
